

Welcome to OhioHealth Dublin Methodist Hospital

At Dublin Methodist Hospital, we care as much about helping you feel better as we do about helping you get better. Once you are here, you will notice that Dublin Methodist is not just another hospital, but one designed to provide a new kind of healing environment. Our goal is to make your stay with us as pleasant as possible and that means making it easy to find your way around. This brochure provides a map of the hospital. We encourage you to bring this map with you when you come to the hospital. If you have questions or need directions, an associate is there to welcome you at the doors. He or she can help you register, provide directions and escort you to your destination.

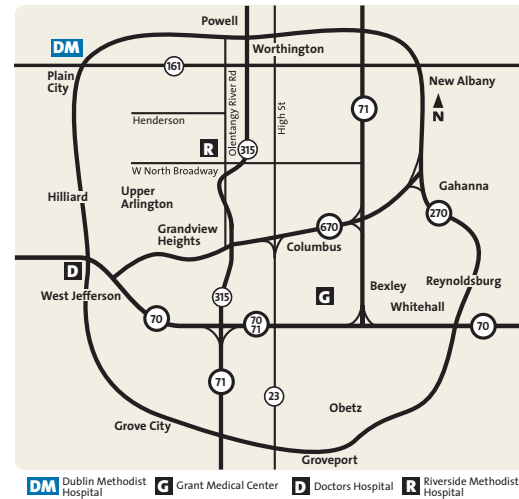

Parking

Dublin Methodist offers our patients, families and visitors free surface parking adjacent to the main and emergency entrances of the hospital.

Handicapped parking is available in all parking areas. If no handicap spaces are available, please ask our security officers or hospital associates for assistance.
