1 block Cath Lab  
2 blocks Echo  
3 blocks Clinical  
1 block Vascular  
1 block HF  
1 block EP  
4 blocks Elective  
4 weeks' vacation

## Ambulatory Clinic

Ongoing outpatient clinical experience is mandatory for all cardiovascular fellows. One half day per week in the cardiology fellow clinic with appropriate supervision throughout the 36-month period will be provided. This will allow the cardiovascular fellow to gain experience and exposure to the management of cardiovascular problems in the outpatient setting.

# Sample Monthly Didactics Schedule

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<b>Week 1</b>	RMH EP Lecture	Braunwalds	M&M	OSU Didactics	RMH Echo
